To our customers,

Per the order from the Governor of Ohio and following this order set forth, Graphel qualifies as an essential business in the Critical Manufacturing Supply Chain under the Critical Manufacturing Supply Chain Guidelines and will remain open under the order guidelines.

We want our valued customers to know that we are taking additional proactive steps to keep our workforce healthy and safe.

Graphel is committed to keeping our customers updated if changes occur which will affect our level of service and current delivery commitments. Please check our website and watch for any e-mails our company may send out with updates regarding the status of our business during this difficult time. We continue to wish all of you and your families good health in the days ahead.

Sincerely,

Dave Trinkley
President
Graphel Corporation
